Hi all,

Thanks for your participation in yesterday evening's meeting with Nick Melvoin. For reference, I attached my notes and next steps from our discussion. Please do not share these notes outside of this group.

As you observed, we eschewed the introductions, context-setting, and jumped right into discussing the proposal elements. Please let me know if I missed any substantive comments or points and I'll be sure to include in the notes. After we've collected thoughts and digested yesterday's conversation, I think it would be helpful to jump on a quick call for a short debrief. I'll connect individually to check schedules for a short call for perhaps tomorrow morning.

Thanks,

Jason J. Rudolph
